B.Ed. CURRICULUM OF UNIVERSITY OF CALICUT

Two Year B.Ed. Curriculum 2015

With a view to maintaining quality in the curricular programmes offered by the University of Calicut, the B.Ed. curriculum was revised in 2013. Within months of the implementation of the revised curriculum, the National Council of Teacher Education (NCTE) decided to extend the duration of the B.Ed. programmes offered in the country from one year to two years. The NCTE Regulations 2014 and other documents provided guidelines for framing a curriculum for the two-year B.Ed. Programme. This led to the creation of a new curriculum in 2015. As per the direction from the University, the Board of Studies in Education (UG), Calicut University decided to modify the existing curriculum of the two year B. Ed programme to Outcome Based without changing the content of the curriculum. It was not possible to organize offline seminars and conferences related to change the curriculum to Outcome Based due to the COVID pandemic situation. The Board of Studies in Education (UG) convened many online seminars, conferences and creates whatsapp groups and discussed the matter incorporating all teacher educators affiliated to University of Calicut.
