Institutional Guidelines for Students Grievance redressal cell.

The cell functions to look into the grievances lodged by any student. Students may approach the cell to voice their grievances regarding academic matters, health services, library and other services. Any form of discontent or dissatisfaction on the part of the students can be informed to the cell. The Grievance cell also looks into matters of harassment. Anyone with a genuine grievance may approach the Co-ordinator or member of the Students Grievance cell. Grievances may also be sent through e-mail through the institutional website. The cell then redresses the grievances promptly and judiciously. As a result of this mechanism, the institute has a pleasant ambient atmosphere and good work culture with in-built goodwill and mutual understanding among the students.

Objectives

The main objective of the Grievance Cell is to promote and maintain a conducive and harmonious educational environment in the institution. The Students' Grievance Cell is constituted for the redressal of the problems reported by the students of the college. This is with the following objectives:
