Annual Report of placement cell 2019-20

St. Gregorios Teacher Training College, Meenangadi has a vigilant placement cell with an objective of empowering the students by benefitting through various opportunities which enable them to face the challenging situations in their personal as well as career life. The cell organized several inspiring and educative programmes. It offers vocational guidance and job assurance activities with the fine coordination and warm cooperation of its members. By this time, many of the students from the previous batches, got placement in teaching profession as Assistant Professor, HSST, HST, UPS Teachers and LPS teachers. Apart from teaching profession, some of the students got placement in other departments too.

The main objectives of the cell are:

- To disseminate information regarding career in teaching.
- To provide information about various career options available to the student
- To prepare students fit for the job.
- To provide a platform for discussion on career-related matters.
- To motivate the students to pursue higher studies.
- To equip the students to appear in various teacher eligibility tests and competitive exams.
- To create awareness and provide information regarding various courses of study and competitive exams
- To provide general career counselling.

Activities during the year 2019-20

In the academic year of 2019-20, on behalf of the placement cell of the college a presentation session was done by Dr.S Sabu, former principal of St. Gregorios Teacher Training College Meenangadi on 12 February 2020 and it was highly beneficial and motivational as far as B. Ed students are concerned for their future endeavours. The placement of the students in any educational institutions depends upon the eligibility test of NET, SET, C TET and K-TET and hence the placement cell attends the need of the students to pass such eligibility tests for the job. Many Newspapers and various journals are available in the college library which helps the students to find better career choices and higher study options. . One of the major programmes of the cell in this academic year was a job fair which was scheduled to conduct on the 3rd week of March. But with the unprecedented situations happened due to pandemic outbreak, so far the pre- planned programmes were thus cancelled.

Dr. Tomy K.O.
PRINCIPAL

PLACEMENT CELL REPORT

St. Gregorios Teacher Training College has a vigilant placement cell with an objective of empowering the students by benefiting through various opportunities which enable them to face the challenging situations in their personal as well as career life. The cell organized several inspiring and educative programmes. It offers vocational guidance and job assurance activities.

The programme conducted were highly beneficial for our students in equipping them to meet Competitive Examinations through opening an avenue for their vast reading.

The Extempore Speech organized by the Cell served as a platform for expressing their views on a general social issue and for enriching their public speaking skill. They organized seminar on K-TET and SET Exams Orientation, Career Talk, Vocational guidance and job assurance activities. Seminar and ICT workshops served as a digital knowledge platform for equipping the student teachers to travel in tune with the digital era. These activities organized for senior batch students helped in reducing exam anxiety and provide guidance to the students regarding the necessity of proper planning, preparing and managing time for examinations and to prepare for various examinations.

The Inter Optional Quiz Competition conducted by the Cell was highly inspiring and encouraging in order to generate enthusiasm among student teachers. Many Newspapers and various journals are available at the college library which helps the students to find better career choices and job opportunities and it was very much beneficial to the students. The Cell continuously serves as a Placement agent to our students by providing proper vocational awareness and conscientiation activities on present educational situations.

From 2019-2021 batch, out of 50 outgoing students, 70% cleared and qualified competitive examinations including NET/SET/KTET (NET-1, SET-7, and KTET-27). From 2020-2022 batch, 18 students qualified KTET exam, 4 students qualified SET exam and 1 student got JRF out of 55 (i.e., 45% of students qualified). From 2021-23 batch out of 53 students, 89% cleared competitive exams. 11 students qualified SET, 36 qualified KTET exams. Placement cell has a significant role in the placement of students. Students got placements in each year as follows: - 2019-20 - 6 Students, 2020-21 - 14 students, 2021-22 - 18 students and 2022-23 - 6 students.
