ABOUT ST. GREGORIOS TEACHERS TRAINING COLLEGE
 St. Gregorios Teachers' Training College, Meenangadi is run by the Jacobite Educational and charitable society, Meenangadi under the Malabar Diocese of the Jacobite Syrian Orthodox Church and the Patron of charitable Society is H.G. Geevarghese Mor Stephanos Metropolitan. This college is an affiliated B Ed College under University of Calicut and recognized by the NCTE.

OUR VISION
 Mindfulness Education for Enlightenment

MISSION
 The College is named after St. Gregorios of Parumala (Parumala Thirumeni), who was a great spiritual visionary and Metropolitan of the Malankara Jacobite Syrian Orthodox Church. Parumala Thirumeni became the first person of Indian origin to be canonised as saint in 1947. He believed that education is the transformation process of a biological being to a divine being and the teachers are the prophets to disclose the innate virtues of every individual. It is very important for their emancipation from their ignorance, which is the root cause of all evils and miserable life. Thus our vision of mindfulness Education is based on the true spirit of our great Indian tradition and St. Gregorios for the establishment of a society based on Justice, Freedom and Fraternity for the enlightenment of all its citizens to transform this world to a "Vasudhaiva Kutumbakam".

CALL FOR PAPERS
 The International Seminar Invites Academicians/Teacher Educators/Scholars/Student Teachers to present papers in the seminar on the relevant themes. Selected papers will be published in the form of an Academic Journal after review.

ABOUT THE THEME
 Neuroscience research provides a biologically driven framework for developing the performance of brain according to its natural structure and functions and when the brain is working properly, all the executive or cognitive functions are achieved with the maximum efficiency. Educational neuroscience provides opportunities as well as challenges for developing a bridge between educators, psychologists and neuroscientists.
 The National Education Policy aims to provide a major transformational reform in the Indian Education System. It aims to create all its citizens to be the masters and not slaves

of Nation building. Mindful Education is the core of the traditional Indian Education System. This seminar is an attempt to explore the Neurocognitive Foundations of Mindful Education within the Framework of the National Education Policy 2020.
